Frequently Asked Questions

Here you can find the most common questions.

What's included in the free plan?

Melp's free plan gives you access to core collaboration tools—messaging, files, and limited AI features—so you can experience the platform before upgrading.

Can I upgrade or downgrade my plan anytime?

You can upgrade or downgrade your plan at any time through your account settings.

Are there any hidden fees?

There are no hidden fees. All plans are transparent and include what you see.

How secure is my data on Melp?

Melp uses industry-standard encryption to protect your data both in transit and at rest.

Can I cancel my subscription anytime?

You can cancel your subscription at any time through your account settings.

Does Melp work across devices?

Melp is designed to work across all devices, including desktop, mobile, and tablet.
