Frequently Asked Questions

Here you can find the most common questions.

What's included in the free plan?

Melp's free plan gives you access to core collaboration tools—messaging, meetings, file sharing, and limited AI features—so you can experience the platform before upgrading.

Can I upgrade or downgrade my plan anytime?

Upgrading or downgrading your plan is easy. You can change your plan settings at any time from your account settings.

Are there any hidden fees?

No, there are no hidden fees. All plans are transparent and include what you see.

How secure is my data on Melp?

Melp uses industry-standard encryption to protect your data. Your information is safe and secure.

Can I cancel my subscription anytime?

Yes, you can cancel your subscription at any time. Just log in to your account and manage your plan settings.

Does Melp work across devices?

Yes, Melp is designed to work across all devices. You can access your workspace from any device with an internet connection.
